VALUE IN ALLYSHIP

PERMACULTURE PRINCIPLES WE ARE PRACTICING TOGETHER

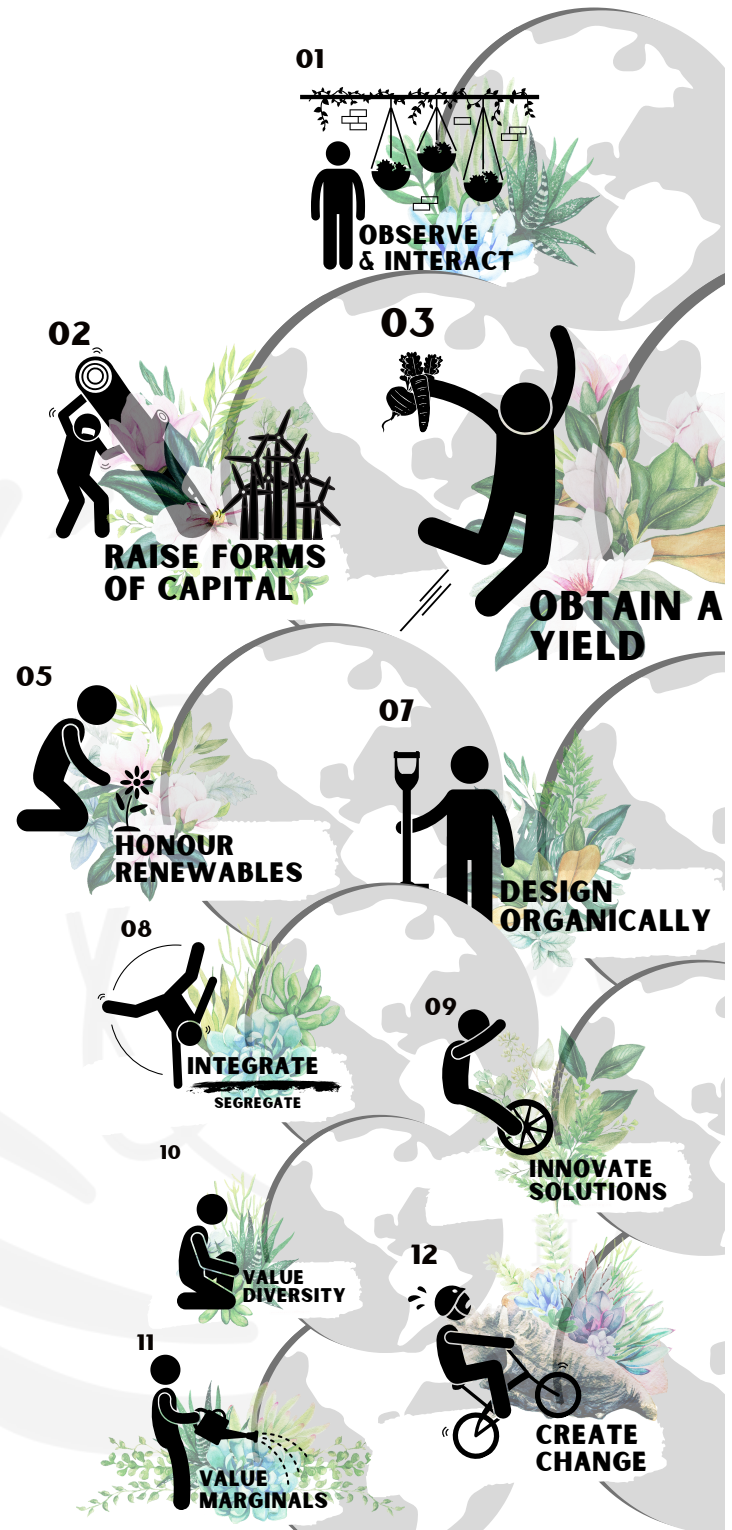

The Peace Festival is a living, outdoor classroom where literacy, numeracy, creativity, and land-based learning come together to help kids – and adults – see themselves as innovative thinkers and leaders.

We invite your organization to:

- Show up with a posture of learning – exploring how to bring Echo (Truth through the Arts) and Vibe (Wellness, Joy & Innovation) into everyday life.
- Be part of planting seeds of hope and purposeful action the week before Orange Shirt Day.
- Help position our region as a leader in equity, imagination, and solutions that move us all toward freedom.
- Champion local initiatives that bridge cultures and generations.

Join us at the Hill Pavilion - Zwick's Park on September 20th & 21st 2025.

Your support helps us transform shared values into living action – building bridges that will serve generations to come.

SPONSOR BENEFITS

BRAND VISIBILITY

- Your logo and business name will be gently included across our Peace Festival materials – banners, signs, digital media, and highlighted on OurPeaceFestival.com and QuinteCulture.ca.
- You'll be acknowledged in newsletters, social media posts, and community updates shared with both local and extended networks.

NETWORKING & ENGAGEMENT

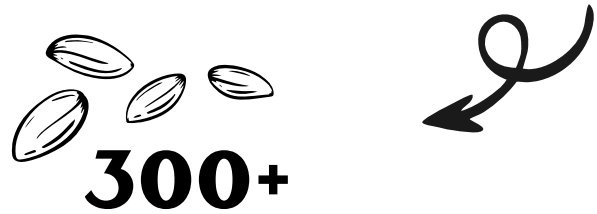

Show up with humility, exercising permaculture principle #1. Your presence at the Peace Festival signals that your business is committed to life-long learning, equity, and active repair. In a time when customers, clients, and communities are paying attention to who shows up and how – choosing to engage positions your organization on the right side of history.

This isn't charity – it's legacy-building. Saying yes, means choosing a future where everyone thrives. Saying no, means missing the moment to lead with heart.

COMMUNITY IMPACT

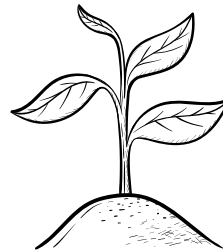

- As a Passport Partner, you become part of a collective effort to nurture equity, belonging, and intergenerational connection.
- Your quiet presence and thoughtful contributions help plant seeds of hope, resilience, and lifelong learning.
- We invite you to imagine how your organization can participate – not as a sponsor, but as a partner in growing something regenerative, together.

We look forward to co-constructing your sponsorship perks to align with your strategic priorities, vision and mission.

LEVELS**

Our 2024 & 2025 Partnership Deck design is sponsored by AYC | answeryourcalling.ca | a BIPOC+W for-profit entity.

WAYS TO ACT

Invest in living, community-rooted systems of change. Choose a cause that aligns with your values:

- Affordable Housing Solutions
- Food Security through Permaculture
- Equity in Education
- Connected Cultural Experiences
- General QCIC Operations

FUND THE FUTURE

Visit QuinteCulture.ca/cart-page to make your contribution.

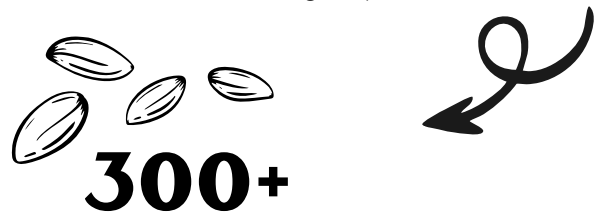

Choose your level of support:
Seed • Seedling • Shrub • Shade Tree • Fruit Tree

Each gift reflects a growing impact – every act of generosity becomes part of our shared ecosystem of care.

CO-CREATE W/ US

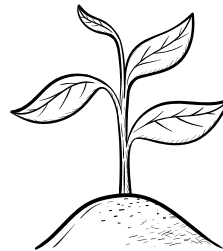

We welcome custom activations and shared visibility opportunities. Let's co-design a meaningful experience that reflects your mission and amplifies the work we're building together – for now, and for future generations.

We look forward to co-constructing your sponsorship perks to align with your strategic priorities and marketing objectives.
